Praslin Island in the Seychelles ~ A honeymoon paradise ~

COCO DE MER HOTEL AND BLACK PARROT SUITES

Beauty, safety, peace, tranquillity and quality, surrounded by nature, and named after the unique Coco de Mer Palm tree which, although extremely rare, occurs in abundance in the tropical forests surrounding the property.

This modern four star hotel lies in over 200 acres of natural beauty on the edge of the Indian Ocean. Spacious grounds, comfortable rooms, private location and a friendly atmosphere offering spectacular views of the surrounding islands, forested mountainsides and glorious sunsets.

The Mango Terrace Bar and Restaurant, clad in wood, black slate and ivory tiles, all trimmed with copper, offering casual poolside dining, is flanked by a wall of coconut tree trunks and suspended coconuts, giving one a feel of the tropics and seaside laid-back dining.

* Offers a mouthwatering a la carte lunch and dinner menu.

The Hibiscus Restaurant boasts private, wooden dining decks over a trickling stream and an elevated central area with ocean views and buffet counters, flanked by a wall of mirrors, interspersed with black and copper mosaic.

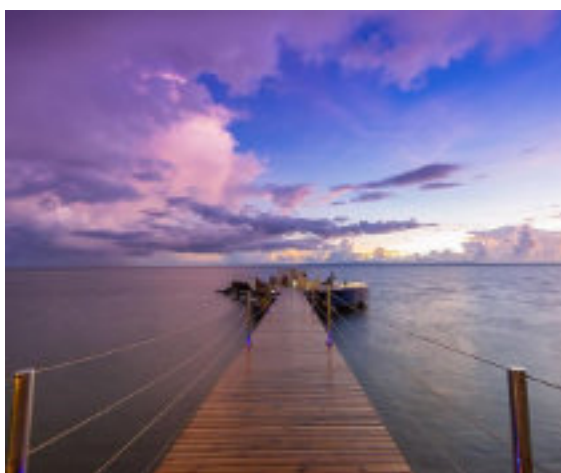

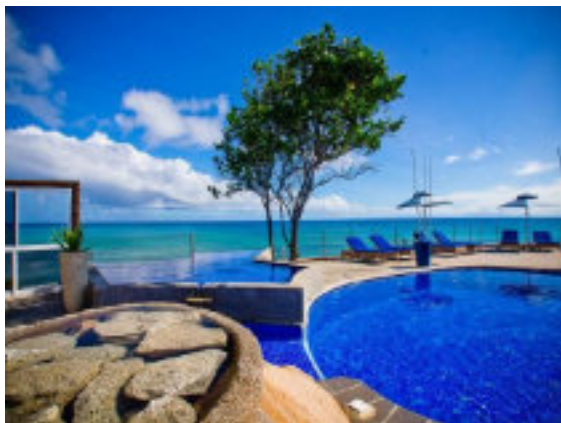

* offers full English Breakfasts; International & Creole cuisine; barbecues; Themed buffets & Table D'hôte menus.

* Live evening entertainment is provided several nights weekly.
